

Panel 1

COMIC PANEL 1

Story: A college student named Anu finds a mysterious glowing key inside an old classroom desk. At midnight, the key opens a hidden door beneath the college library. Anu enters and discovers a secret room filled with magical inventions. One machine suddenly comes alive and creates a tiny friendly robot. The robot shows Anu a glowing map of the college. Together, they follow the map and discover a beautiful hidden garden on the rooftop. Anu and the robot decide to keep the secret garden hidden from everyone.

Character: Alex Setting: enchanted forest

Tone: dramatic Art Style: comic book Current

Scene: Alex in enchanted forest, A college
